

The Redwood Discovery Museum is always looking for opportunities to help better serve the community. We are pleased to announce our partnership with First 5 Humboldt. With their help we were able to design 3 different family activity kits. We're offering one activity kit per family. Our hope is that these family activity kits will spark joy and creativity. Even more, we created these kits with the intention of bringing families together during this intense period of time.

The three activity kits:

1. Family Game Kit
2. Family Art Kit
3. Family Nature/Urban Scavenger Hunt Bag

If you are a Humboldt County resident and have a child(ren) 0-8 years of age your family qualifies for ONE of these activity kits!

Parent/Guardian Name: _____

Phone: _____

Email: _____

Age(s) of Child(ren): _____

If you are interested in taking part of this program please submit this form to: melissag@discovery-museum.org
