Teacher Appreciation Week

May 2nd

"I have come to believe that a great teacher is a great artist and that there are as few as there are any other great artist. Teaching might even be the greatest of the arts since the medium is the human mind and spirit." –John Steinbeck

Fun Fridays

5/7: Culture Day- Bring in an item from home that represents your families culture

5/14 & 5/28: Pajama Day

5/21: Dress-up Day

Greetings family & friends of the Discovery Museum Preschool. We have so much to be grateful for here: A group of curious students & their wonderful families. An excellent, caring and nurturing staff. Our NEW Administrator and Director of the Discovery Museum, Stephanie Carter!

We are learning and exploring so many interesting subjects, and witnessing minor miracles every day. Sometimes I feel like a curator of a museum for very short artists. It's our privilege to work with your children.

-Mrs. Melissa

REMINDER:
